Call to Order.

The April monthly meeting was called to order with 10 members and 4 guests present. We opened with the salute to the flag and a moment of silence for our fallen brothers and sisters. The weather was nice and 2 rode their bikes.

Presidents Report.

Tom has returned from Florida. (It's a shame he missed out on the snow) Spring is now here and hopefully we can do some riding this year.

Vice Presidents Report.

John went over rides and events we did for the past month, and future rides for the current month.

John covered the second reading on the latest new member. We welcome Louis Cataldo, who is a Sussex Co. Sheriff's officer.

Secretary's Report.

Accepted as published in last months newsletter. In order to keep the roster updated, please let me know if there are any changes. An updated roster has been posted to the web site.

Treasurers Report.

Russ gave us a report on our financial situation. All is well, TD is doing a great job.

Tri-State Report.

The Tri-State spring meeting is on May 1, 2010, and will be in Latham NY. The meeting starts at 1 pm. The chapter will be represented.

Old Business.

Last month it was suggested that we ask the FD if we could display information about our club in the meeting room. John has reached out to the lady who made the crest on the back of our jackets, and she can make one. Have not yet made with a representative from the FD.

New Business.

Gus said that we have been invited to a car/bike show in Bayville in October. This will occur the same weekend as the fall Tri-State meeting.

Attended Rides/Events.

The chapter has been very busy in the past month with the bi-monthly breakfast and monthly dinner gatherings.

We had three breakfasts at Wolfie's and one dinner at Ruby Tuesday's. As always, everyone is welcome and encouraged to attend if possible.

Picnic/Poker Run Committee

The exec board has been busy planning for this years picnic/poker run. What we really need now, is a commitment from the membership on how they will be helping out. Tom has sent out an email requesting feedback, but response has been very light. Without a commitment from the membership, we can not go forward and will consider canceling the event for this year.

Good and Welfare

Russ and Anne have a new grand-daughter.
