### Call to Order.

Our February monthly meeting was called to order at 7:05 pm by the VP. Tom is in Florida relaxing in the sunshine while we have to dig through snow. We opened with the salute to the flag and a moment of silence for our fallen brothers and sisters. Attendance was a little light but hopefully that will pick up as the weather improves. We had plenty of coffee.

### Presidents Report.

In Florida. When he gets back, be sure to ask what the acronym TNSGSL stands for.

### Vice Presidents Report.

There is not much going on within TSC at this time. Certainly, no one is out riding while the weather is like it is.

We will do another chapter breakfast at Wolfie's on 2/14 at 9 am. Good food, decent prices. There were 9 at the last breakfast. We will be going to Applebee's for dinner on 2/17 at 6 pm. The address is 404 Main St in Forked River.

John went over future rides/events that we already have flyers for.

Frank Fallaw, Gus Faella, and Bob Clarke received their service awards from International. The renewal charter for 2010 has been sent in to International. We have renewed with 35 members.

### Secretary's Report.

Please let me know if there are any additions or corrections to the membership roster. Refer to the web site for current information. The site is updated whenever information is received.

### Treasurers Report.

The treasury is still in good shape. Russ gave a complete and accurate report as received from TD.

### Tri-State Report.

All is well within TSC.

The spring meeting is on May 1 in Latham NY. Information can be found on the web site.

### Old Business.

Nothing.

### **New Business.**

There was discussion on setting up a sales table at the TSC fall meeting if we still have inventory left. It appears that we will need a sales permit if we decide to get a table.

There was also discussion on mailing out the newsletter. This would be more expensive and create much more work. There would also be a delay in getting it published. Of those present, this didn't seem too popular. Expect a poll in the future.

*Meeting adjourned at 8:30 pm.*

*Next meeting will be March 8.  
Coffee will again be available.*

*Wayne Brass  
Secretary, NJ XI*

### **Attended Rides/Events.**

We had a small group go to Outback's for dinner on 1/13. Great place. They are onboard to support our picnic again this year.
