Call to Order.

The March meeting was called to order by the VP at 7:10 pm with a salute to the flag and a moment of silence. The weather was great, but attendance was a little poor.

Presidents Report.

Tom hasn't returned from Florida yet.

Vice Presidents Report.

There is still very little going on within TSC yet. Once the riding season starts, things will pick up.

The breakfast get-to-gather mornings have been going quite well. The group gets larger each time.

The dinner gatherings are also going well, but not quite as well as the breakfasts.

When the weather gets nicer, John is planning a "Fun" ride. This will probably happen around the second weekend in April. More info when the time gets closer.

Secretary's Report.

Accepted as published in last months newsletter. The web site has a totally new look. It should now allow quicker navigation, regardless of

connection speed. Our web site remains one of the few to always have current information.

Treasurers Report.

No show.

Tri-State Report.

Nothing. The latest TSC newsletter is posted to our web site as soon as it is received.

Old Business.

Nothing.

New Business.

We had a "first reading" on a new member application. He is from Sussex County SO. The legislation for new M/C licensing has stalled in Trenton. No report on when it will start moving again.

It was suggested we reach out to the fire house to see if we can display our chapter logo. We will see if they will allow.

Holger is recruiting for the Coast Guard Aux. Meetings are the 2nd Wed. in Pt. Pleasant. Contact Holger if interested.

Attended Rides/Events.

Breakfast gatherings at Wolfie's on 2/14 and 2/28 both went very good.

Dinner at Applebee's on 2/17 went well. It's always good to get out and get away from all this darn snow.

Future Rides/Events.

Breakfast at Wolfie's on 3/14 and 3/28. Don't forget to set your clock ahead on 3/14 or you will be an hour late.

Dinner at Ruby Tuesday's on 3/17. The address is 1311 Rt. 37 in Toms River.

NJ I's annual Toy Run is 4/18. I am trying to get a flyer. Chapter will leave from Wa-Wa @ 539-70 at 9 am.

Picnic/Poker Run Committee

Everything going well. Flyers are finished and are getting distributed. Also available for download on our web site. Feel free to print some out and hand out.

Christmas Party Committee

Nothing yet planned. It's still early.

Meeting adjourned at 7:45 pm.

Next meeting will be on April 12, 2010.

Don't forget to set your clock ahead on 3/14.
